

Kanabec County Fair Truck Pull Rules

General

1. Local and Improved Stock may pull in one class only, but may pull two weights in same class.
2. Contestants must pull at assigned position within 3 minutes of time the sled is ready. Judges may move a contestant to the last position due to mechanical trouble.
3. Automatic disqualification for anything falling off truck during pull.
4. No use of alcoholic beverages allowed before or during the truck pull.
5. All trucks must have working brakes.
6. No dual wheels allowed, except in Diesel classes. May not use tire chains or studded tires.
7. All pulls must start with a tight hitch. No jerking of sled. Two consecutive attempts to start the sled will be allowed.
8. The first puller in each class will have the option to pull over. This decision must be made by the driver immediately after their pull, before unhooking.
9. Truck must stop immediately upon signal from the judges.
10. Pull will terminate if truck runs out of bounds.
11. No nitrous oxide is allowed.
12. Trucks inspected at the gate.
- 13. Gate closes 30 minutes prior to contest (6:30pm). BE THERE EARLY!!**
14. Contest will be governed by the judges with all decisions final. ANY harassment of the judges or fair board members, by a contestant, will result in banning that contestant for 1 year.
