RULES AND REGULATION

1. A plate of apples must consist of four specimens; grapes, two bunches; crabapple, four specimens; plums, four specimens. Not more than one plate of any variety will be allowed in any collection, competing for premium; nor shall there be synonymous entries. Any exhibitor violation this clause shall forfeit the premium money for this lot.
2. All fruits and vegetables must be shown in uniform open receptacles of the proper size to contain the sample. Shortage in count will disqualify a sample from competing.
3. The superintendent will provide plates and uniform label cards to be sure that they are properly attached to all fruit and vegetables entered.
4. The exhibitor must keep his entries in tidy condition during the time they are on exhibition. Specimens may be added to any sample, after any judging of the lot to replace those which have deteriorated. The Superintendent will ensure that any manifestly unsightly or unfit samples are removed.
