

**DIVISION - L**  
**PLANTS AND FLOWERS**  
Senior Division is 16 years and older  
Junior Division is 15 years and younger

**RULES AND REGULATIONS**

1. Open to all growers.
2. Only entries listed will be permitted in this class
3. No endangered plant protected by Minnesota State Statute 84.0895 may be displayed
  - a. **Endangered plants** are those “upon a showing that such species is threatened with extinction throughout all or a significant portion of its range
  - b. **Threatened plants** are those “upon a showing that such species is likely to become endangered within the foreseeable future throughout all or a significant portion of its range” 40 species – 22 families
  - c. **Special Concern plants** are those “upon a showing that while a species is not endangered or threatened, it is extremely uncommon in Minnesota, or has unique or highly specific habitat requirements and deserves careful monitoring of its status. 87 species – 34 families
4. The decision of the judges is final
5. Exhibits may be entered on Wednesday from **3pm to 7pm**.
6. One entry per lot from an exhibitor.
7. Containers must be furnished by the exhibitor. Place cut flowers in bottles of good proportion. Prop the specimen securely upright.
8. All plants and flowers must be grown by exhibitor for at least three months. PURCHASE DATE MUST BE BEFORE MAY 1<sup>ST</sup>.
9. Planters, dish gardens and arrangements must be the work of the exhibitor. Use only natural plant materials, fresh, treated or dried. Design classes must be predominantly fresh except where class specifies. Flowers must be garden grown, except for wild materials Mats, accessories, backgrounds, bases may be used in design classes.

**TIPS FOR EXHIBITORS**

1. Allow time to set up exhibit
2. Follow fair schedule, list flowers to exhibit with lot number
3. Only specimens meeting specification listed in schedule will be judged
4. Specimens should be free of insect damage, dirt, blemishes, with attractive foliage attached. Remove foliage below waterline
5. Hybrid tea roses and dahlias should be dis-budded 25 days before show time.
6. Blooms should be as identical in size, shape, etc. if more than one is required. Cut stems to display flowers well.

7. Harden flowers. Use a sharp knife to cut flowers. Place immediately in warm water. Keep cool overnight (Hardened flowers and foliage make the best arrangements.)
8. Place your name on the bottom of property.
